**Agenda and Minutes**

1. Welcome and adoption of the agenda
2. CORS news
  - a. Staff update:
    - Laila Magin will be leaving CORS at the end of July
    - Introduction of Katrine Dalsgaard Jepsen, who will be helping with the organization of the CORS conference this year

- b. Current ongoing project:
  - CORS members are working on a plan for improving our external communications
  - Aim to create a LinkedIn profile, maybe a Twitter profile, to engage in these platforms by promoting regulatory science content and CORS events
  
- 3. CORS Conference:
  - Topic: the proposal for a new EU pharmaceutical legislation
  - Date: Monday 20/11 2023
  
  - a. General Discussion
    - Suggestion to shorten the conference to half a day (9-14)
    - Budget and financing options
    - Possible speakers
    - Only in-person conference due to logistical complications
    - Conference fees (only no-show?)
  
  - b. Conference Committee
    - Asked for volunteers to form the committee
    - Tasks would be: discuss the content, the speakers, the overall conference structure, and help with general organization
  
- 4. Presentation and discussion of PhD project of Débora Dalmas Gräf
  
- 5. No Ad-hoc topics
