**Apologies:** Ole J. Bjerrum, Theis Lange, Sukhwinder S. Jossan, Gunnar H. Gislason, Birthe B. Holm, Steffen Thirstrup, Per Spindler, Lisa S. Villadsen.

**Chair:** Marieke De Bruin

**CORS/Minute taker:** Natalia Christiansen

## Agenda

- 1) Welcome
  - Adoption of the agenda
- 2) PhD student recruitment for paediatric project
- 3) Annual conference update, link to the web page
- 4) Other business
  - CORS research grants applications update

1. The agenda was adopted.

Other business: Merete Schmiegelow asked about the CORS strategy process and if SAB will be involved.

2. PhD Student recruitment for paediatric project.

SAB commented on the project at SAB meeting in June 2018. The recruitment process was during July-September. There were 48 applicants; the recruitment process should be finished before the end of the month.

#### **Post-doc proposal update:**

The idea was presented in June to SAB members. CORS will update the study plan and bring it to another SAB consultation in December. Recruitment is planned for 2019.

3. CORS conference update. The conference will be held in Mærsk tower (Nielsen Nielsine auditorium) on November 19<sup>th</sup>. The registration is open. All SAB members can register for free with CORS affiliate registration type.

More details related to the speakers and the sessions in the program.

Until now: 42 people signed up so far, and the registration was opened a couple of weeks ago.

4. Other business.

**Research grant application update.** CORS has been/is working on a couple of (inter)national grant applications. Details were shared within the committee.

#### **CORS strategy**

Marieke provided an update on the CORS strategy process. CORS is working further on it with the Steering Committee, and Marieke is planning to present a draft for the joint SC-SAB in December.
